<b>LOCATION:</b>	Wivelsfield Green	<b>DATE:</b>	Saturday 16 <sup>th</sup> June 2007

### Results Report

This was a combined qualifying competition for both the Riding Club National Championships, and the London and South East Championships. It included teams at Prelim and "Open" levels, and also a competition for Riding Tests, where the rider is judged rather than the horse/rider combination.

We had a few late changes in our teams due to illness and unavailability but were still able to field very strong teams of 4 in most cases – which just shows how much new talent we have found this year – after our successes at the National Championships last year.

The Novice team, where all 4 riders ride P13, won both the National and the LSE Qualifier. The Open team, where each team member rides a different test at Novice or Elementary level, won the National Qualifier. With everyone coming 1<sup>st</sup> or 2<sup>nd</sup> individually in their arenas.

The Riding Test Teams also won their competitions, qualifying for the Nationals and the LSE Championships. So it was clean sweep Horsham - Britain's got talent – but so has Horsham Riding Club !
