

Horsham & District Riding Club

Area 13 Senior Show Jumping Teams Qualifiers

LOCATION: Castle Goring

DATE: Saturday 23rd June 2007

Results Report

As with the dressage last weekend this was once again a combined qualifying competition for both the Riding Club National Championships and the London & South East Championships. It included Novice, Intermediate and Style jumping.

Unfortunately, due to 2 late withdrawals which could not be replaced, our Novice teams did not qualify for either Championship. Each team only had 3 members and were unable to drop the worst score.

The Intermediate and the Style Jumping teams both won their competitions qualifying for the National Championships at Lincoln.
