

Horsham & District Riding Club

OPEN SHOW REPORT /RESULTS

LOCATION:	Eastlands	DATE:	4 th July 2009
------------------	-----------	--------------	---------------------------

For the first time in a few years, the HDRC Open Annual Horse Show enjoyed hot, sunny weather. Although the entries were down this year, the day was a very successful one and all seemed to enjoy themselves. Many congratulations to the **HDRC members** who took part. It was particularly pleasing to see so many of you amongst the winners (see results below), including Championship Classes. The show takes a terrific amount of organising, which starts in the August of the year preceeding the event and carries on up to and beyond the date of the show as results have to be printed, sent to societies and letters go out to judges to thank them for their contribution to the success of the show on the day. Of course the fun that is had on the day is very much reliant on our band of willing helpers and organisers. I have a **superb committee** behind me to help the show run smoothly and I would like to take this opportunity to thank the committee for all their work and tireless effort to ensure the show is such a success. As I write this report, the committee will be meeting this evening to discuss next year's show, which will be held on Saturday 3rd July – so please put that in your diary now for next year. Apart from the committee there are of course others who really must be mentioned and given a huge thank you. Firstly, the show could not run smoothly without the **loyal band of helpers** who come to help set up the show, take part on the day, and help clear up immediately after the event, the latter often a daunting task as starting at 6am in the morning, we are often on our knees by 6pm! But that is the same for any HDRC event and we are just so indebted to the helpers who always come along. Stewarding at the show can be daunting so I would like to say thank you to all the **stewards** in the rings, those **runners** who tirelessly run around each ring collecting the results and bringing them to the secretary's tent and the public address system. Each year **Mr Keith Poupert** mans the public address system and does us proud in keeping the results rolling out and telling the competitors which ring to go to and when – so a huge thank you to Keith for his continued help. Apart from the PA system, Keith also maintains the working jumps, helps with the set up, break down and such a valuable member of the team. We all breath a sigh of relief about 8pm on the day of the show when Keith has directed us as to how to stack all the show jumps back on the trailer in the correct order, and the tarpaulin can be tied down properly and efficiently. Our **trade stands** are also important to us as is our photographer, Visualise, from Farnham, who produces excellent pictures of all the competitors in action. This year, as usual, our showjumping and working hunter classes were very well attended. Here, we have to say an enormous thank you to our course builder, **Chris Watts**, who has helped us with the show for so many years. Chris has been so good to us, turning up the day before the show to set up and running between showjumping and working rings to ensure courses and fences are set up. This year, as always, judges commented on the excellent courses Chris had built and I am sure competitors enjoyed the challenging but very fair courses – thank you once again Chris for all you do for us. Our show is also very dependent on sponsorship and the committee would like to thank all sponsors this year for their generosity and continuing support. Thanks are also due to **Mr Bernard Slade** for allowing us to use Eastlands as a venue for the show. It is such a beautiful site and allows us to run so many rings with plenty of space for everything to go on. An added bonus for us this year was a full page report in the Horsham Resident on 10th July, with plenty of photographs of winners and competitors – so thank you **The Resident** for giving us such coverage. I will try and put these pictures on the HDRC website if at all possible.

So for those of you who entered, I hope you had an enjoyable day and hope to see you again next year. Those who didn't – come along and have a go in 2010. We aim to make it a friendly and relaxed show of a good standard, but where everyone enjoys themselves.

Continued.....

This year we sorted out the problems of manning the car park by enticing 4 of my medical students along so I hope that helped the problems we have experienced in the past. So remember **Saturday 3rd July** for next year. The only regret I have from this year was the lack of the ice-cream van which was really sorely missed in the hot weather. However, Georgio phoned a few days after the show – the van broke down on its way to us and he made a sterling attempt to get it on the road again – and achieved it, but 3 miles before Eastlands it broke down again and he was not able to sort the problem out a second time. So apologies for lack of ice creams on such a warm day – but Georgio promises to be with us as usual next year.

Di Lawrence-Watt
13th August 2009

RESULTS-bold print indicates HDRC winners

Novice Working Hunter -1st **Hurtwoods Oliver, owned and ridden by Pami Nixon** 2nd Brockhamhurst Bay-Bee, owned by Gt Brockhamhurst Stud, ridden by Alex Marsh; 3rd Clogerboy Lucky Buck, owned and ridden by Alex Kershaw; 4th Lucky Strike, owned and ridden by Sally Mariani; 5th Ballysheil Thomas, owned by Pam Quinnell, ridden by Sarah Quinnell; 6th Ragtime Hacketts Pride, owned and ridden by Serena Soames.
