

BRC Equitation & Welfare Exams

As a member of an affiliated riding club, you can take BRC Equitation and Welfare Exams. These are split into Seniors and Juniors and there are 2 parts to the exam: Equitation and Welfare. The equitation side of things examines your riding ability while welfare focuses on stable management. What is so appealing about these exams is that they are compatible with BHS exams.

There are 4 levels to the Equitation and Welfare exams. If you pass Equitation 3 with Jumping and Horse Welfare 3, you gain direct entry onto a BHS Stage 3 exam. Full details of the exams can be found on the BRC website.

KATHY MERRICK, BHSI wants to know if any members are keen to train with her for their Welfare Exams. The training will be without horses at her home in Cranleigh at a time to suit all. If there is sufficient interest the cost will be minimal. **Contact Kathy on 01483 898305.**
